

# Utah Bureau of Criminal Identification Newsletter

## *FBI NCIC Audit Update*

During the week of June 15 - June 18, 2021 the FBI CJIS auditing team was here in Utah auditing the State as well as some of our local agencies. The audit presents a great opportunity to assess our strengths as well as areas where we need to make improvements in order to be CJIS compliant. This year's TAC Conference will be heavily focused on the audit findings as well as BCI Field Services will be revealing a new auditing process for the upcoming audit cycle.

The next couple of newsletters will also include information from the audit.

Questions regarding this may be directed to Mandy Biesinger at [mbiesinger@utah.gov](mailto:mbiesinger@utah.gov)

## *Free Training from BCI*

The BCI Research Section offers training for courts and law enforcement agencies across the state. Training opportunities include:

- Fingerprinting Techniques
- Troubleshooting Fingerprint Rejections
- Fingerprints for Citations/Working with Citations
- Suspense Program
- Utah Criminal History
- Criminal History Research

All training is free. Contact Erin Paulsen at [erinpaulsen1@utah.gov](mailto:erinpaulsen1@utah.gov) or at 385-415-9848 for more information or to schedule a training.

## *TAC Conference Reminder*

The **2021 TAC Conference** will be held on **Tuesday and Wednesday September 28-29, 2021** with an optional New TAC class on Monday September 27, 2021. Attendance at the TAC Conference is **mandatory** for at least one representative from your agency per Utah administrative rule R722-900(6)(a).

As mentioned before, the 2021 TAC Conference will be held virtual again this year. Registration information will be sent via email around the end of July by your Field Services Representative.

## *TAC Reminder*

When setting up a new account, please make sure to be using the ADD transaction in UCJIS and submit the Security Agreement directly to your Field Services Representative. This will help the process move faster and avoid accounts being delayed to become active. We must have the Security Agreement before an account can be activated.
