Criteria for Entry into the Utah Missing Persons Bulletin

The following guidelines must be met before information on a missing or unidentified deceased/living person can be entered into the Utah Missing Person Clearinghouse Bulletin/Web Site.

MISSING PERSON (Information on a Utah missing person or a person missing from another state but believed to be in Utah.)

1. The parent, spouse or guardian must contact a law enforcement agency to submit a missing person report. The missing person must be entered into the Information Center (NCIC) files by the law enforcement agency.
2. A "Missing Persons Clearinghouse Report Form" must be signed, returned to the Utah Missing Person Clearinghouse, Department of Public Safety, 4315 S 2700 W, Suite 1300, Taylorsville, UT 84129. Forms can be obtained from the Clearinghouse.
3. A current original photograph (color preferred) must be received by the Utah Missing Person Clearinghouse. (Note: Do not write on the back of the photo.)
4. All information must be approved by the law enforcement agency submitting the missing person report.
5. The Utah Missing Person Clearinghouse personnel will obtain permission from the law enforcement agency to contact the person in the event the person is located. Sighting information is received by the Utah Missing Person Clearinghouse.
6. In cases of parental abductions, a copy of the court-certified custody order stating that the reporting parent has custody must be received by the Utah Missing Person Clearinghouse. (Note: If it is requested that the non-custodial parent's photograph be included in the bulletin, an active felony warrant must be present in the Information Center (NCIC) prior to publication of the photograph). Copy of the court-certified active felony warrant, which is presently in NCIC must be made available to Utah Missing Person Clearinghouse prior to publication of the photograph). Copy of the court-certified active felony warrant, which is presently in NCIC must be made available to Utah Missing Person Clearinghouse prior to publication of the photograph).
7. The parent, spouse, guardian or investigating officer must notify the Utah Missing Person Clearinghouse immediately of the location or return of the missing person.

! Remember

BCI cannot add anyone to the Missing persons website without a signed waiver that includes the agency's missing person's report case number.

Utah Public Alerts:

Currently, our state has 4 alerts available for the public. The purpose of these is to instantly activate the community to assist in the search and recovery of a missing person.

- ❖ Utah AMBER Alert
- ❖ Endangered Missing Advisory Alert (EMA)
- ❖ Silver Alert
- ❖ Blue Alert

AMBER Alert

The Utah AMBER Alert is part of the nationwide AMBER Alert Plan. It is a voluntary partnership between law-enforcement agencies and broadcasters. It utilizes electronic roadway signs, cell phones, and email as methods to alert the public about a missing child and a suspected abductor.

Protocol

- ❖ Criteria is met.
 - Confidently answer yes to all 4 questions.
- ❖ Law enforcement authorization.
 - Agency's administrative lieutenant, chief, sheriff etc.
- ❖ Contact DPS CIC help desk before submitting alert @ 801-503-5566
 - Will need to provide point of contact information for AMBER Alert Coordinator to reach out.
 - ◆ Mandatory!
- ❖ UAA transaction on UCJIS entered by agency or dispatch center.

What determines an AMBER Alert?

Law enforcement has to consider and confidently answer yes to ALL four items listed in the AMBER Alert criteria, before sending out an AMBER Alert.

If the criteria does not fit the AMBER Alert requirements, then the agency can consider issuing an Endangered Missing Advisory (EMA).

Criteria

- Law Enforcement believes a child or children have been abducted.
- The child or children are 17 years old or younger.
- Law Enforcement believes the victim(s) face imminent danger, serious bodily injury or death.
- There is information that could assist the public in the safe recovery of the victim or apprehension of a suspect.

AMBER Alert: NLETS

- ❖ If the Suspect or Person of Interest is believed to be traveling out of state with the child, you may call the CIC Help Desk at 801-965-4446 and request for them to issue an NLETS AMBER Alert to surrounding states or nationwide.
 - The CIC Help Desk are the only one that can activate the NLETS AMBER Alert.
 - AMBER Alert coordinators can reach out to other states' coordinators for guidelines in assistance activating alert in their respective state if necessary.

EMA (Endangered Missing Alert)

The Endangered Missing Advisory Alert is to be used for endangered or missing persons of any age with urgent needs.

It is a voluntary partnership between law enforcement and local broadcasters to rapidly disseminate information to all of Utah law enforcement agencies, news media, and the public.

This is an alternative solution to situations that do not meet the AMBER Alert criteria.

It is a Utah statewide advisory only, but if the person is believed to be traveling outside of Utah, BCI can send a message using Nlets.

- ❖ Do the circumstances fail to meet the criteria for an AMBER Alert?
- ❖ Is the person missing under unexplained, involuntary, or suspicious circumstances?
- ❖ Is the person believed to be in danger for any of the following?
 - Age
 - Health
 - Mental disability such as Autism or Alzheimer's
 - Environment
 - Weather conditions
 - In the company of a potentially dangerous person
 - Any other factor that may put the person in peril such as: Internet enticed, missing college student, and overdue hikers or travelers

Procedure

- ❖ Once the issuing agency determines the guidelines have been met, they must contact the UCJIS Help Desk to let them know the alert is being issued, or cancelled.
 - @801-965-4446.
- ❖ Missing person should be added into NCIC.
 - Remember, entering a juvenile using the Endangered Runaway message key does not automatically activate the EMA Alert.
- ❖ After removing all sensitive information, the UCJIS Help Desk will send an email to all media, the media then decides if they want to broadcast the information.
 - Issuing agency can appoint a Public Information Officer (PIO) to handle the press, and release further information if needed.

Dissemination

- ❖ EMA Alert is disseminated to law enforcement through a broadcast message.
 - UCJIS Help Desk will send out an email to the media after removing all sensitive information.
 - ◆ *The media will choose if they broadcast the advisory.*
 - ◆ *If anything else should be shared with them, it should be done by the agency's PIO.*
 - No emails or cell phones (WEA messages) will be activated.
 - No freeway signs will be activated unless warranted.

SILVER Alert

Utah's Silver Alert went live in May 2019, and is an alert notification for missing endangered adults 60 years of age or older and/or individuals with Dementia or Alzheimer's of any age.

The Silver Alert is mandatory if the circumstances meet the criteria.

The Traffic Operations Center (TOC) will light up highway signage in the geographical area where the individual was last seen.

If the law enforcement agency feels more signage is necessary, they may request that by calling the UCJIS Help Desk.

Silver Alert

Criteria

- ❖ Anyone over the age of 60
- ❖ Individuals with Dementia or Alzheimer's of any age
 - This includes Autistic individuals of any age.
 - Mandatory if the situation fits the circumstances.

Utah's definition of endangered adult and dementia comes from Utah Criminal Code 53-10-702:

(1) "Dementia" means a person has a form of cognitive decline that significantly affects the person's ability to make decisions and provide for health, safety, or self-care. This term includes Alzheimer's disease and other forms of dementia marked by the continual loss of memory and awareness of surroundings.

(2) "Endangered adult" means a person 60 years of age or older or a person under 60 years of age who has a form of dementia.

Procedure and Dissemination

- ❖ Once the issuing agency determines the guidelines have been met, alert must be issued in UCJIS.
- ❖ The Traffic Operations Center will light up signage in the area where the individual was last seen. If the law enforcement agency feels more signage is necessary they can request that by calling the UCJIS Help Desk.
 - 801-965-4446.

**Please remember no Law Enforcement sensitive information should be added to the Silver Alert e.g. social security numbers, addresses, sexual orientation, driver's license numbers or criminal history, if such information needs to be shared please use a broadcast message to share between agencies.*

BLUE Alert

The Blue Alert system is to help law enforcement with the means to speed the apprehension of violent criminals who kill or seriously injure local, state, or federal law enforcement officers, personnel, and the community.

It is a cooperative effort between the Department of Public Safety, Department of Transportation, the Division of Emergency Management, broadcasters, law enforcement agencies, and the general public.

It is a Utah statewide alert only. If it is believed that the suspect is leaving Utah, please issue an AM message through Nlets.

Blue Alert

Criteria

The term Blue ALERT means information sent through the network relating to:

- The serious injury or death of a law enforcement officer in the line of duty or,
- An officer who is missing in connection with the officer's official duties or,
- An imminent and credible threat that an individual intends to cause the serious injury or death of a law enforcement officer.

Utah's definition of injured or assaulted from Utah Criminal Code 76-1-601:

(11) "Serious bodily injury" means bodily injury that creates or caused serious permanent disfigurement, protracted loss or impairment of the function of any bodily member or organ, or creates a substantial risk of death.

Or

(12) "Substantial bodily injury" means bodily injury, not amounting to serious bodily injury, that creates or causes protracted physical pain, temporary disfigurement, or temporary loss or impairment of the function of any bodily member or organ.

Procedure and Dissemination

- ❖ Agency administrator must approve the alert before it is entered into UCJIS.
- ❖ The issuing agency must contact the UCJIS Help Desk at 801-503-5566 to inform them that a Blue Alert is being issued.
- ❖ All Utah law enforcement agencies will receive a New Broadcast Message.
- ❖ UCJIS Help Desk will email the Media.
- ❖ The Media who requested to be notified will broadcast the message.
- ❖ The Traffic Operations Control (TOC) may activate the freeway signs if warranted.

Resources
